

Client Request

A client reached out to me to create an informational website tailored to her business and clients. The client is a cook, blogger, and social influence. The website is to contain recipes (smoothies, salads, juices, meal plans, and etc.)

User stories

As a user I want to find healthy recipes.

As a user I want to be able to contact the content creator and sign up for email alerts.

As a user I want to be able to follow the content creator on social media.

As a user I want to be able to access the website on all my devices.
